## 1. Your agreement with Us

This agreement details Your rights and obligations for use of Toll Roads.

The agreement begins when You accept the agreement by:

- accepting it in writing;
- opening the seal of the e-TAG pack;
- keeping the e-TAG; or
- clicking on the “I accept” button on Our Website.

If You do not want to accept this agreement, You must return the e-TAG to Us as soon as possible without opening the seal of the e-TAG pack. We will refund any money You have paid.

## 2. What to do before using Your e-TAG

You must do the following things before using the e-TAG:

- tell Us Your name, Address, contact phone number, the type of Account You wish to open, the method of payment for Your Account and how many e-TAGs You require;
- tell Us the Registration Number and State or Territory of registration of all Nominated Vehicles to be linked to Your Account;
- pay Us the amounts, fees and charges We require under this agreement; and
- pay any outstanding amounts owed to us by You and from any previous use of the Toll Roads, or any unpaid fees, taxes or charges incurred by You and payable to Us.

Although we may send You a letter or signal Your e-TAG to beep to inform You about certain events which affect the Roam Express e-TAG, You are responsible for making sure that Your Account or e-TAG is not suspended or cancelled.

## 3. e-TAG and the tolling system

What to do before using the Toll Roads

You must:

- install and use each e-TAG in line with the instructions supplied with the e-TAG (failure to mount the e-TAG in accordance with the instructions may prevent it from working and You may incur a No Tag Fee or Toll Notice); and
- only use each e-TAG in a vehicle of the same Class as the e-TAG.

The e-TAG system is managed by Us, and the e-TAG remains Our property. You must surrender the e-TAG to Us in accordance with clause 15, otherwise You will be liable to pay a Tag Replacement Fee. You may not sell the e-TAG or the right to use it, but You may permit others to use it.

#### Travel on Toll Roads

The Toll Road's electronic tolling system will operate to detect vehicles that make Trips on Toll Roads by identifying Your e-TAG. We will charge the relevant Tolls to Your Account by debiting the amount as advised by the Toll Road operator and any other relevant fees and charges. For example, if Your Nominated Vehicle is detected without an e-TAG we may charge a No Tag Fee to Your Account in addition to the relevant Tolls.

Any questions regarding the Toll charged on a particular Toll Road should, in the first instance, be referred to that Toll Road operator.

## 4. When You should contact Us

Each time Your vehicle fitted with Your e-TAG passes through a Toll Zone, Your e-TAG should "beep":

**One beep** indicates that everything is operating normally.

**No beep** indicates there may be a problem with Your e-TAG. You may complete the Trip, but You should contact Us before You travel on a Toll Road again.

**Four beeps** indicates that the e-TAG or Your Account has been suspended or cancelled. You may receive a Toll Notice or an infringement notice from an enforcement agency and be liable for payment of Tolls, a Toll Notice Fee or a fine. You must contact Us before You travel on a Toll Road again.

**One beep, followed by two short beeps**, means Your Account Balance is below the Top Up Trigger, or Your Automatic Payment facility may have failed. You should contact us to check the status of Your Account.

You must contact Us as soon as possible when:

- Your e-TAG, is lost or stolen;
- Your e-TAG is damaged;
- You want to remove a Nominated Vehicle from Your Account (eg. You sell that vehicle), or You change the Registration Number of a Nominated Vehicle which is linked to Your Account, or You want to link another vehicle to Your Account;

- You change Your Address, other contact details (eg. Your phone number), or Your nominated payment methods or account numbers; or
- You become aware of anything that may or will affect any payment under this agreement.

## 5. If You do not make contact when required

Your Account may be suspended if You do not contact Us as soon as You become aware of anything that may or will affect a payment under this agreement and rectify the problem. We may charge the applicable Tolls and other fees and charges in accordance with this agreement.

## 6. If Your e-TAG is lost or stolen

We will not charge Tolls to Your Account if after You have notified both the Police and Us that:

- Your Nominated Vehicle has been stolen and We detect that Nominated Vehicle driving through a Toll Zone;
- Your e-TAG has been lost or stolen and We detect that e-TAG in a Toll Zone; or
- the Number Plate of Your Nominated Vehicle has been stolen and We detect that Number Plate on a vehicle (if that vehicle is not Your Nominated Vehicle) in a Toll Zone.

We will resume charging Tolls to Your Account when You notify Us or We become aware that You have recovered the lost or stolen e-TAG. You must provide a copy of the Police report if We request it.

## 7. Charging Tolls to Your Account

#### Travel on Toll Roads

You will be charged Tolls for using Toll Roads which are set by the relevant Toll Road operator.

Subject to clause 15, We will debit a Toll to Your Account when one or more of the Nominated Vehicles linked to Your Account, Your e-TAG or the Number Plate of a Nominated Vehicle is detected in a Toll Zone or on a Toll Road.

We may charge Tolls and may debit a No Tag Fee to Your Account for each Trip that Your Nominated Vehicle is detected on a Toll Road without an e-TAG (including up to three days prior to the time You originally contacted Us).

If a Nominated Vehicle is linked to another Account, and that Nominated Vehicle is detected on a Toll Road without Your e-TAG being detected, we may choose which Account will be charged with the Tolls and any applicable fees and charges from that Trip.

## 8. Payment to open Your Account

### **Tag deposit:**

Upon payment of the Security Deposit, Your e-TAG will be issued. The Security Deposit is refundable upon return of the e-TAG in good order and condition.

### **Toll pre-payment**

You will be charged the Toll Pre Payment amount at the time Your Account is opened as a pre-payment.

### **Monthly rental:**

After we have issued Your e-TAG, a Tag Rental will be charged monthly, on the first day of each month.

## 9. Additional fees and payments

### **Extra e-TAG Amount**

You must pay Us an extra Security Deposit for each extra e-TAG You ask Us to link to Your Account. We may debit the Security Deposit from Your Account at the time We issue the extra e-TAG.

### **If You use a Toll Road without Your e-TAG being detected**

For each Trip that a Nominated Vehicle is detected using a Toll Road without Your e-TAG being detected, We may, debit a No Tag Fee to Your Account in addition to any relevant Tolls, unless We are responsible for the failure to detect Your e-TAG.

### **If You lose Your e-TAG**

We will be entitled to keep the Security Deposit for Your e-TAG if Your e-TAG is lost or damaged, or You do not return Your e-TAG to Us when We require You to do so.

### **Account Reactivation Fee**

We will charge the Account Reactivation Fee to You if We reactivate Your Account after it has been cancelled or suspended.

### **Other Accounts**

We may apply any outstanding fees, Tolls or charges in relation to this Account to any other Roam Express e-TAG Account You may have.

If You have an outstanding Account Balance from another Roam Express e-TAG Account, We may credit or debit that amount to this Account.

### **When You agree to additional payments**

We may charge any fee, tax, charge or amount to Your Account if You have agreed to pay, or You owe Us that fee, tax, charge or amount under this agreement.

### **Toll Notice Fee**

If You receive a Toll Notice You agree to pay any Toll Administration Fee that the relevant Toll Road requires You to pay.

## 10. Statements

A monthly summary of Your Account is available for download from Our Website for free. We can also provide You with Statements by email, fax or mail for the relevant Statement Fee.

## 11. Topping up

### **Pre-Pay Accounts:**

You must keep a positive balance in Your Account at all times (ie. Your Account Balance must not be zero or less).

If You are an Automatic Payment customer, when We consider that Your Account Balance is at or below the Top Up Trigger, Your Account will be automatically topped up by Us drawing the Agreed Replenishment Amount by Automatic Payment from Your Bank account.

If the Agreed Replenishment Amount is declined when We attempt to withdraw it, We may charge the Declined Top Up Administration Fee to Your Account.

If You are a Manual Payment customer You should make sure that You top up Your Account by the Agreed Replenishment Amount when Your Account reaches the Top Up Trigger. If You allow Your Account Balance to drop to zero or less, the e-Tag Account may be suspended or cancelled. We may charge an Account Reactivation Administration Fee to Your Account to reactivate an Account that has been deactivated.

When We consider that Your Account is below the Low Account Balance, We may send You a notice to remind You to top up Your Account.

You must keep Your Account Balance below \$5,000 at all times. If Your Account balance is \$5,000 or above, we will report Your details to AUSTRAC in accordance with the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*

## 12. When is a payment made?

Payments are treated as made when We receive them. If You are an Automatic Payment customer, We will receive Your Automatic Payment when it is credited successfully to Our Bank account.

If You are a Manual Payment customer, or if Your Automatic Payment has failed or You have made other payment arrangements with Us, We will receive Your payments:

- if by cash or manual credit card or BPay, when the person making the payment:
- in person, is given a receipt for that payment; or
- by telephone, is given a receipt number for that payment; or
- if by cheque or money order, when the proceeds of the cheque or money order have been cleared.

If a payment is not made successfully, We will debit the Declined Top Up Administration Fee

to Your Account (eg. if a cheque or direct debit is not honoured in full), unless the unsuccessful payment is Our or Our Bank's fault.

We may at Our discretion accept late or part payments or any payment described as being in full or in part settlement of a dispute. If We do so, We will not lose any of Our rights under this agreement. We may allocate any such payment against any money You owe Us as We deem necessary.

## 13. Complaints, questions and disputes

If You have a dispute or wish to make a complaint about Your e-TAG or a payment or an amount debited, credited or not credited to Your Account, You should contact Us. A customer service officer will provide a response with reasons as soon as possible.

If You believe that Your dispute or complaint has not been properly addressed, You have the right to have the issue reviewed by Our independent customer resolutions group who will provide a response with reasons.

If You are still not satisfied with the response, You may take Your complaint to the Tolling Customer Ombudsman. Unless You tell Us that You disagree with Your Account Balance within 60 days of receipt, the Account Balance recorded on the statement will be considered to be correct. Where You dispute Your Account Balance, until that dispute is resolved You must continue to comply with this agreement as if the Account Balance recorded on the statement was correct.

Where You dispute Your Account Balance, We may (at Our discretion):

- credit Your Account for all or part of the disputed amount; or
- make other arrangements reasonably necessary to allow for the continued operation of Your Account, until the dispute is resolved.

## 14. Changing this agreement

- publishing on Our Website, the changes to this agreement, the date from which they will apply, and how You may obtain a copy of them; or
- sending a copy of the changes to Your Address no later than the next statement after the effective date of the changes,

except when the changes either reduce fees or charges or are as a result of changes in taxes, in which case this is not required. We may assign this agreement to another entity responsible for levying Tolls on the Toll Roads in the same way.

Changes to this agreement or assignment of this agreement will apply from the date stated on Our Website or in the copy of the changes We provide to You, which shall not be less than 30 days from:

- the date those changes are published on Our Website; or
- the date those changes are provided to You, whichever occurs earlier

(except where the charges either reduce fees or charges or are as a result of changes in taxes).

## 15. Suspension or cancellation and closing Your Account

If Trips are made by:

- vehicles that carry an e-TAG linked to a suspended or cancelled Account; or
- Nominated Vehicles linked to a suspended or cancelled Account,

You will not have a valid arrangement to make Trips and You may commit an offence under the relevant Legislation and receive a Toll Notice from Us or another a Toll Road operator or an infringement notice from an enforcement agency.

We may suspend or cancel Your Account or Your e-TAG if:

- Your Account Balance is zero or less or has not been paid within the required time period;
- You do not provide a Security Deposit for each e-TAG linked to Your Account within 5 Business Days of Us asking You to pay a Security Deposit;
- We are required to do so by law;
- for any other reason (including breach of this agreement by You) We reasonably consider suspension or cancellation of Your e-TAG is necessary.

If We have suspended or cancelled Your Account or Your e-TAG, We will send a signal to Your e-TAG to give 4 beeps each time Your e-TAG passes through a Toll Zone. You agree that this is a reasonable method of notice for Us to use.

We may also notify You of suspension or cancellation by giving notice in any other way allowed under this agreement or the relevant Legislation.

If You do not re-register Your vehicle with Us or do not make alternative arrangements to pay Tolls through another service provider and Your vehicle is detected on a Toll Road after Your Account has been suspended or Your Account or Your e-TAG has been cancelled, the driver of that vehicle may commit an offence and You may receive a Toll Notice from Us or an infringement notice from an enforcement agency.

If Your Account is cancelled, then within 10 Business Days of receiving notice of that cancellation, You must:

- return all e-TAGs to us in accordance with clause 15; and
- pay any debit Account Balance and any other amount You owe Us.

We will refund any Remaining Account Balance within 20 Business Days after You have met the above requirements.

You may close Your e-TAG Account at any time by completing an 'Account Closing Form' (or submitting a written request to Us to close Your Account) and returning the e-TAG and the completed form to Us. When Your Account is closed We will refund Your Remaining Account Balance after accounting for all accrued Tolls, fees and charges. If a Security Deposit has been paid, and the e-TAG is returned in good condition, then We will refund You the Security Deposit. If no Security Deposit has been paid and the e-TAG is not returned in good condition, then You will be liable to pay a Tag Replacement Fee.

## 16. When this agreement ends

To the maximum extent permitted by law, We are not liable (whether in contract, tort, under statute or otherwise) for any loss (including consequential loss or loss of profit), damage or expense that You or any other person incurs arising directly or indirectly from Your use of the Toll Roads, Your installation, use or removal of the e-TAG or the Holder, or anything else in connection with this agreement.
